

**MONTPELIER WOODS HOMEOWNERS' ASSOCIATION**

**Property owner electronic communication opt-in form**

January 1, 2018

The Board of Directors of the Montpelier Woods Homeowners Association are in favor of changing our means of communicating formally with all property owners to be more in line with today's electronic age. Our preferred methods of formal communication will transition from postal mail to e-mail and community web site postings.

In order to do this, we are required by the Maryland Homeowners Association Act to have your written consent to receive formal communications electronically and maintain this authorization on file. We are asking all homeowners to return this form at this time to formally notify us of your preferred method of communication.

You are within your rights to continue to only receive formal communication via postal mail. If you opt in to electronic communication and later change your mind, you may use the bottom of the form to opt out of the electronic only communication consent request outlined in this notification. This form may be found on our website at [www.mwhoa.com](http://www.mwhoa.com).

To provide notification of your preferred communication method, please complete the lower portion of this consent form and return the form to the Montpelier Woods Homeowners Association via mail to PO Box 2645, Laurel, MD 20709, or via email to [mail@mwhoa.com](mailto:mail@mwhoa.com), or via the white MWHOA collection box located in the common area on Basswood Drive, near the corner of Snowden Road.

I/we consent to receiving Montpelier Woods Homeowners Association communication via e-mail in accordance with Maryland HOA Act effective immediately.

Property owner(s): \_\_\_\_\_

Email address: \_\_\_\_\_

Additional Email address: \_\_\_\_\_

I/we opt out of the electronic communication option offered by the Montpelier Woods Board of Directors. Please send my notices and documents via US mail.
